- LocalAI
- OpenAI compatible endpoints

# MINDMAP

What's your main idea or topic?

People can write comments about anything that relates to the topic or question.

People can write comments about anything that relates to the topic or question.

People can write comments about anything that relates to the topic or question.

People can write comments about anything that relates to the topic or question.

People can write comments about anything that relates to the topic or question.

People can write comments about anything that relates to the topic or question.

# MINDMAP SUMMARY

Using the mind map from the previous page, write 3-5 topics or ideas the team wants to work on. Use the stars to vote for the ones that you feel the team should prioritize.

This open structure is useful to help generate free-flowing thoughts about a topic.

This open structure is useful to help generate free-flowing thoughts about a topic.

# ACTION ITEMS

A mind map is a visual way to present and organize our wonderful ideas. It adds structure to the way we brainstorm as a team so we can easily analyze our action items later on.

1

Write action items in the boxes.

Copy a sticky note,  
then write your  
answer.

Copy a sticky note,  
then write your  
answer.

2

Drag your photo under the action item you want to own.

# ACTION ITEMS

- 1 Write action items in the boxes.

 Copy a sticky note,  
then write your  
answer.

 Copy a sticky note,  
then write your  
answer.

## Action 1

Copy a sticky note,  
then write your  
answer.

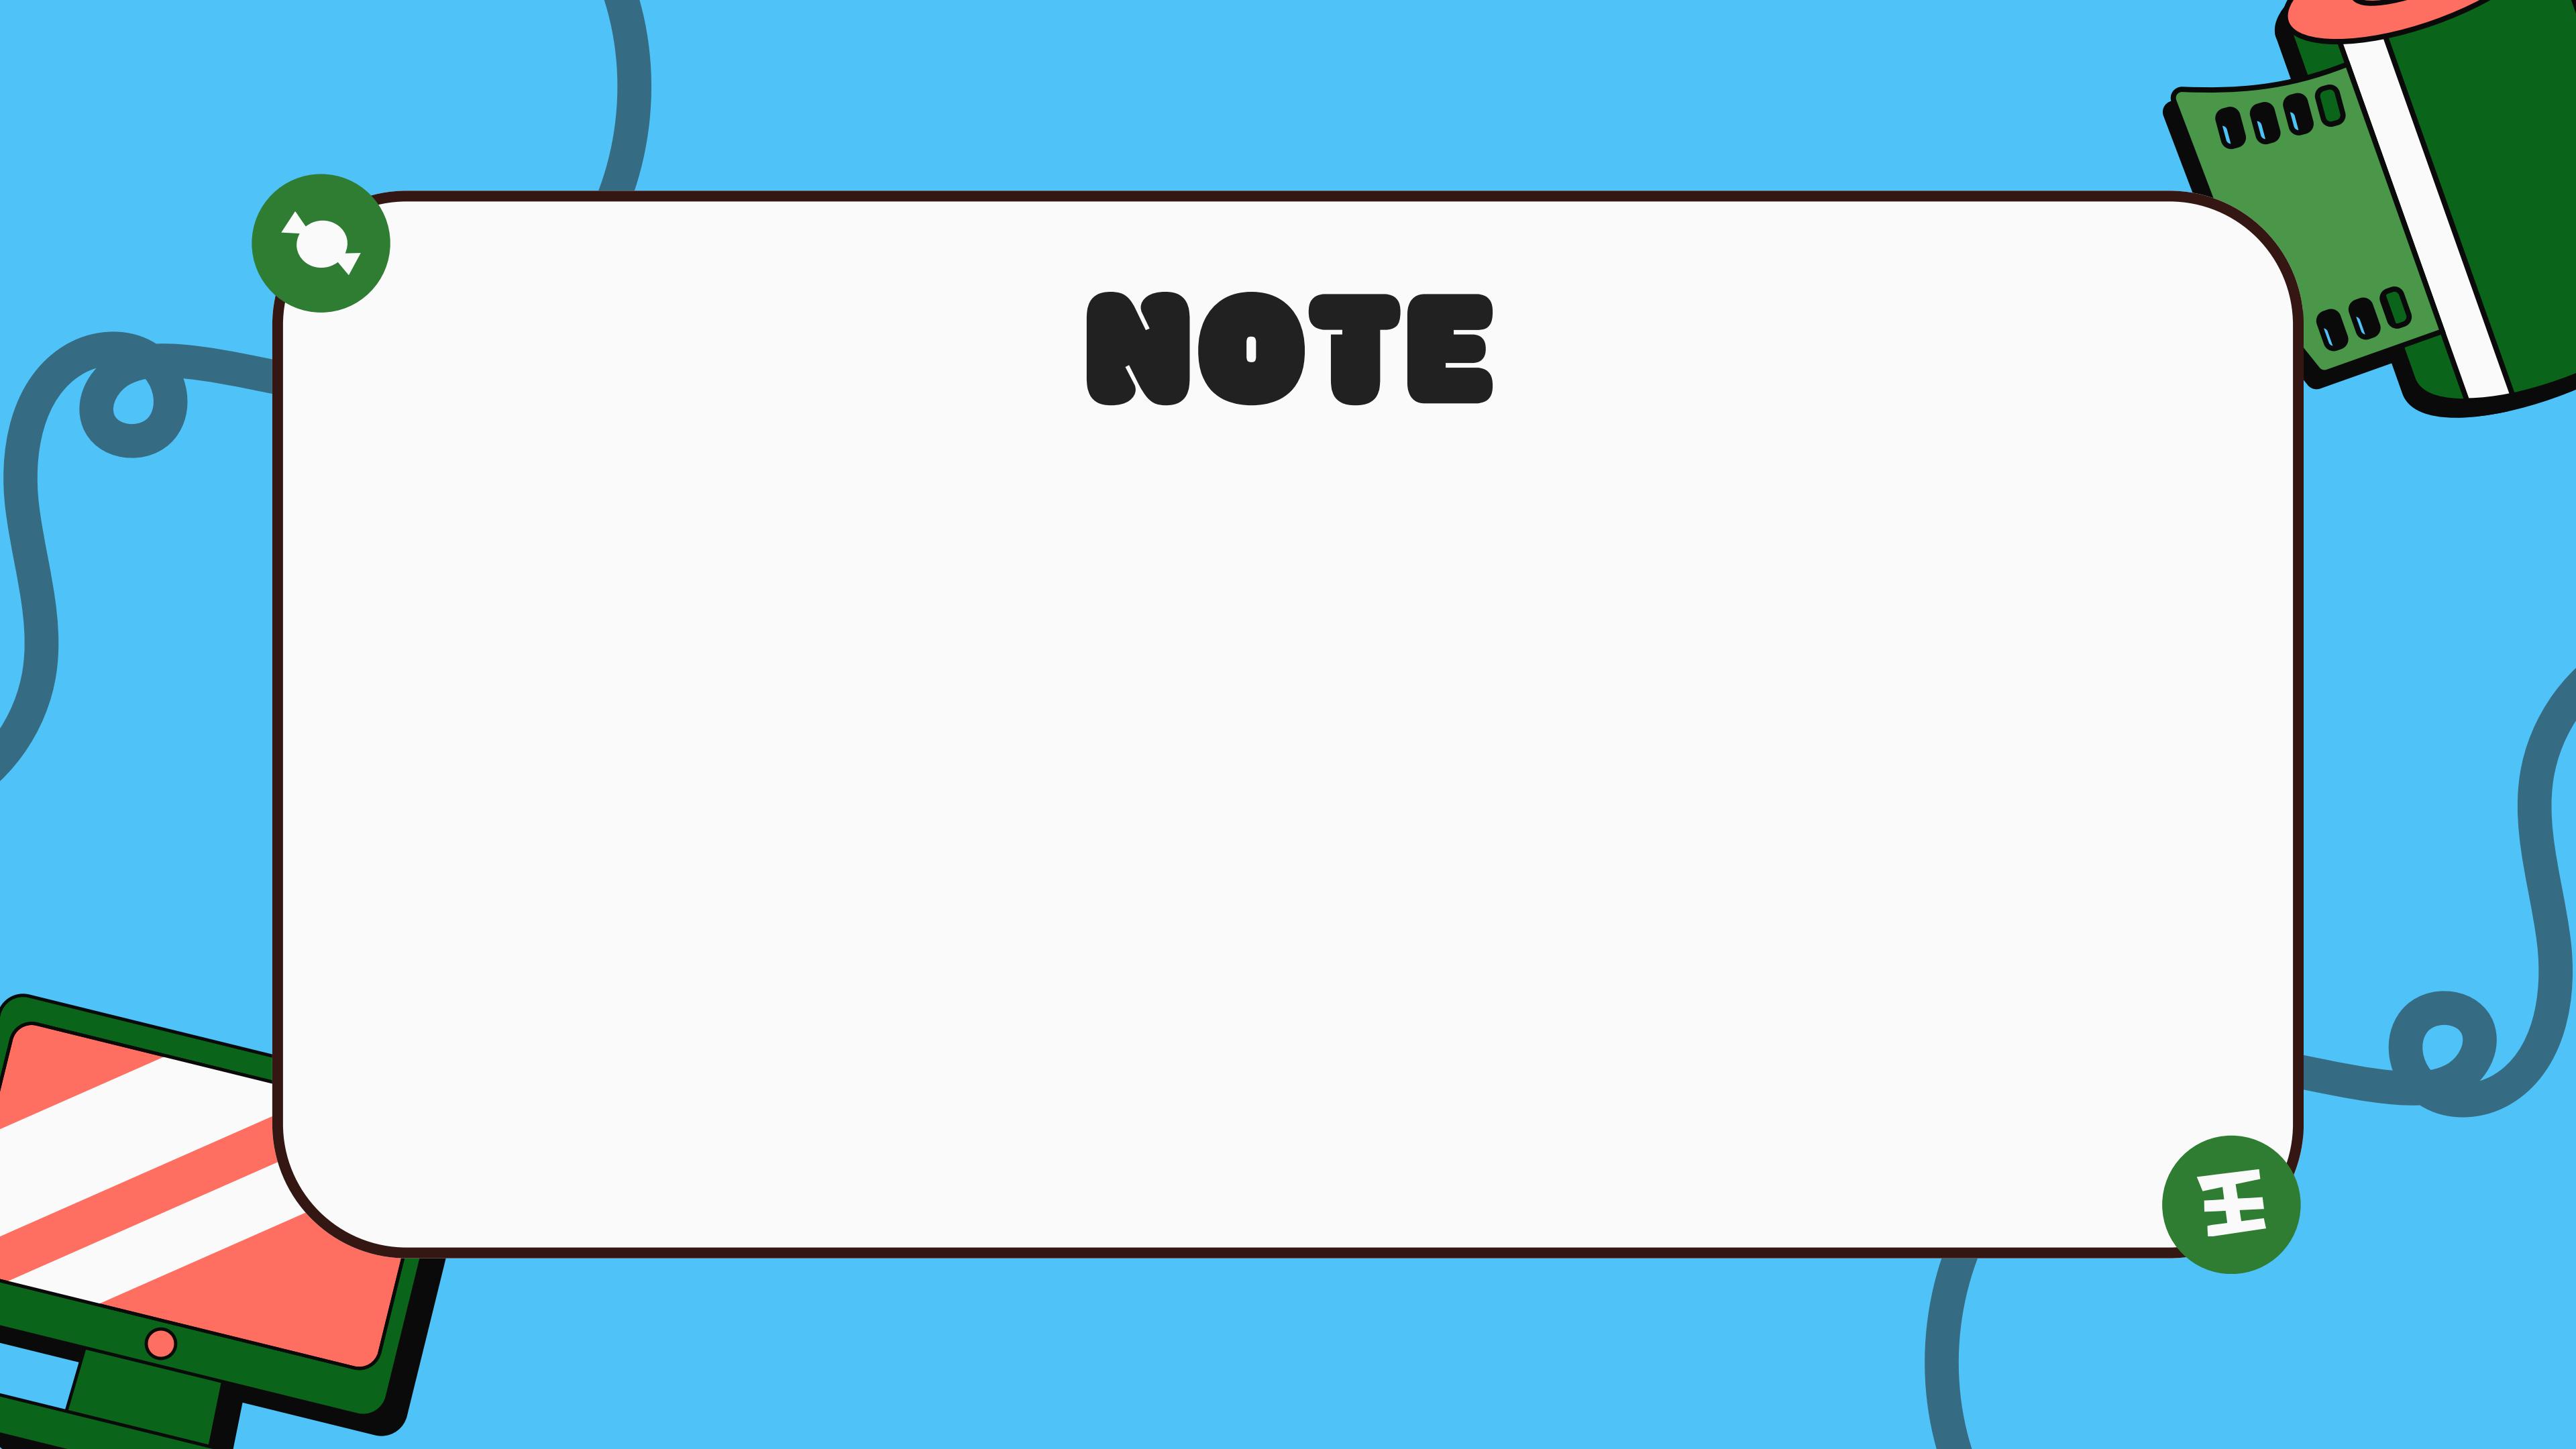

## Action 2

Copy a sticky note,  
then write your  
answer.

- 2 Drag your photo under the action item you want to own.
